Dear Mr. Baltazzi

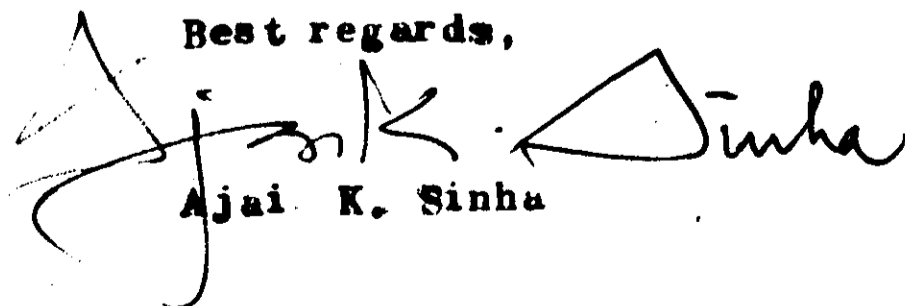

I am publishing a story on Self-protection in America including the activities and contributions of your Association, ~~for~~ in Mukta, an Indian color picture magazine of national circulation. I, therefore, request you to be kind enough to send me the following material by Air Mail :

- Information including a copy of an article on the subject that might have appeared in some magazine there, for my reference.
- Photographs, specially, if possible from some source, about 10 color transparencies on loan to illustrate the article. A few b/w photographs will also be useful. The transparencies will be returned in Registered Air Mail cover after reproduction.
- Caption Sheet of the transparencies.
- A free sample copy of your bi-monthly-the World of A.S.P. If it is not burdensome to you, kindly place my address on its complimentary mailing list by Surface Mail because Air Mail will be expensive to you.

I will send you a copy of the story.

I will consider your generosity in this respect as truly unusual,

Best regards,

  
Ajai K. Sinha
