Dear Sir,

I have not disregarded A.S.P., I have been busy with my career as a Police Officer and starting a school for Karate which I will convert to A.S.P. as soon as I get more proficient and ranked.

I have just purchased your book on Kickboxing I am very impressed, what I would like now now is to get the latest on your films and the titles of all your books and costs, also Kickboxing and Law Enforcement rankings etc.

I would like an outline of the course you teach to the I.B.I. and what qualifications I need to be ranked in that, This would be beneficial to my job as a Law Officer here.

I look forward to hearing from you again and sorry to be so long getting going in A.S.P. but I will get it rolling here if students permit.

Again I thank you in advance for your valuable time and assistance.

My Kindest Regards,

*G.R. Angel*
