Dear Dr. Baltazzi:

Thank you for your letter of June 3, 1968. The facts that you pointed out in your letter were most interesting.

Your approach to total self-protection is of interest to me and I would like to be kept informed of any further developments. I would very much appreciate receiving a copy of your book when it is published. I would also like to receive any new handout materials you may have developed or are anticipating to develop in the near future.

The assistance you render will certainly be appreciated.

Sincerely yours,

J. P. Wilbern
