Dear Dr. Baltazzi,

Receiving your letter relating the termination of your consultancy with our company. I am looking back the early days, when I met with you, your first trip to Japan and your surprising request of visiting Aikidoo Doojoo etc. Time flies like an arrow. Ten years have passed since then.

I would like to express my sincere gratitude not only to your collaboration to our business but also to your private friendship extended to myself.

I hope I can make an opportunity of seeing you again.  
With my best regards to Mrs. Baltazzi and your family.

Sincerely yours,

M. Kubo
